

FEBRUARY BIRTHDAYS

2 Robert Bouvier

9 Hector Boucher

SCHOLARSHIP

The second and final scholarship payments have been mailed. All the recipients should show a credit on their accounts.

Applications for the upcoming 2006-2007 scholarship year will be available at the General Meeting. If you cannot make that meeting call me at (860)643-2072 and I will mail you one. The absolute deadline to return the application is April 1, 2007.

AT THE LAST MEETING

Ron Dube opened the meeting at 7:00PM. He led us in saying the Pledge of Allegiance. Then Rich Gileau said grace. There were 17 members and 2 guests present. The gross Scholarship Raffle was \$140. The first winner was one of our guest speakers, Cheryl Dauphin for \$20. She was followed by C.J. Picard for \$10 and he in turn was followed by Ed Houle for \$10. Did you notice I mentioned C.J. Picard? He has returned to our meetings after an extended recovery from surgery. He is once again up and about with just a cane. Good to see him recovering! Rejean Lessard was the winner of the Pot-O-Gold.

We had two guest speakers, Nancy Simonds and Cheryl Dauphin from Self-Marketer Resources. They help small companies and non-profit groups write and produce newsletters, websites, and other types of marketing materials. They gave us many pointers, such as: 1. Brochures should have a goal 2. Post cards can be used to drive traffic to your website 3. Make sure to clearly list your benefits up front 4. Provide the means for a customer to reach you. When it comes to graphics 1. Don't use too many colors. 2. Clear concise text 3. Readability is crucial. Times New Roman easier to read than Arial fonts. Organize, organize, organize! Talk with your printer about what formats he can handle and use him to help guide you as well. The tips were great and they can help you further by calling (860)563-4767.
