Since there was no General Dinner Meeting last month, I have issued a smaller version of the Franamian. Next month a normal publication will be issued. Sincerely, Norm Bolduc.

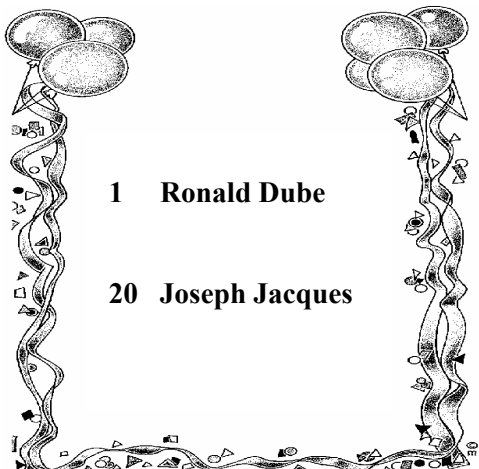

## AT THE FRANAM FAMILY BOAT TRIP

Our group consisted of 30 people attending the Sunday Afternoon Brunch Cruise of the Lady Katherine. This consisted of a spectacular ride down and back on the Connecticut River during the peak time for color on the trees. Our whole crew celebrated Rita Houle's Birthday by singing "Happy Birthday" and eating the birthday cake. The day was bright and calm for a very enjoyable ride. The only regret was that quite a few members tried at the last minute to get tickets for this trip. Unfortunately, only 30 advance reservations were made. The boat sold out well before that Sunday. No more tickets were available.

### UPCOMING MEETING

Robert St. Pierre has arranged for Brian Murphy, Esquire to be our guest speaker. He is a Manchester native. The law firm he represents is Barlow & Murphy, LLC. He will discuss the recent changes and updates of general laws which can impact all of us. For instance, how DUI's are handled by the courts today! So come learn something about Connecticut's laws which could one day demand your undivided attention.
