

SEPTEMBER BIRTHDAYS

Don't forget to wish Paul a Happy Birthday.

UPCOMING MEETING

Been to the Amazon lately? No! Well neither have I, but they claim that a certain Acai plant is good for your health. It is a plant found in Brazil for one and is being marketed thru MonaVie Products. The items are new to most of us and need further explanation. That will be provided at our meeting this Monday. So come see what you are missing, if your not drinking!

Mark you calendar early! Special event! December 12, 2009 Franam Christmas Party Georgina's Restaurant Bolton, CT

HEARD ABOUT TOWN

Helen Dube, the mother of our member Romeo Dube passed away July 31, 2009. She was hours from reaching the age of 100. A remarkable lady, she was known by many Franamians and her joyous personality will be missed by us all.

JUNE PICNIC

Our group was very pleased to return to Manchester's Northwest Park for our picnic on June 14th. The grounds and facilities are exceptional. Everyone was quite impressed with the ball park, playscape, large pond, commercial kitchen setup and pavilion. The turnout was 57 people attending. That included 10 members and 6 honorary members with 10 spouses, plus 19 guests, 2 scholarship recipients and 10 children. The club provided refreshments as always, but also did all the catering with the help of members. Those I spotted were Bob St. Pierre working the grill, Ed & Pat Houle, and Rita Gileau among others in the kitchen. Members brought deserts, etc. for everyone to enjoy. Thanks to Rich Gileau and Ron Dube for their generous donations. Thanks to all members who supported this event. The club netted \$316.00 from the Scholarship Raffle. The weather behaved and everyone was able to do what they enjoyed, hiking baseball, and best of all catching up with other Franamians and friends.

The Ladies Golf Putting Tournament was held and new champions were established. This year the top clubber was Jean Samolyk, winning \$20, and Rita Houle, winning \$10.

Ron Dube chaired this event again this year. He pulled it together with the help of members and found no problems with the now familiar location, no alcoholic beverages requirement, weather or anything else that day. All in all it was a fine event and the Board hopes to use the same facility again next year.
